Assistant Videographer

Hiring organization
RevenueValve

Date posted
January 17, 2023

Description

The Assistant Videographer will be responsible for assisting the lead videographer in the production of high-quality video content for marketing and promotional purposes. This includes, but is not limited to, filming, editing, and post-production. The ideal candidate will have a passion for videography and be able to effectively communicate with both internal and external stakeholders.

Responsibilities

- Assist the lead videographer in the production of high-quality video content for marketing and promotional purposes
- Collaborate with the marketing team to understand project objectives and requirements
- Help set up and break down equipment for shoots
- Operate cameras, lighting, and sound equipment
- Assist in the editing and post-production process
- Stay current on industry trends and incorporate them into video content
- Communicate with internal stakeholders to ensure video content aligns with overall marketing strategies

Qualifications

- 1+ years of experience in videography
- Strong understanding of videography equipment and techniques
- Experience with editing software such as Adobe Premiere, Final Cut Pro, or Avid
- Strong organizational and time management skills
- Strong communication and interpersonal skills
- Proven ability to work well in a team
- Experience with motion graphics and animation is a plus

RevenueValve is an equal opportunity employer and welcomes candidates of all backgrounds to apply.
